- 2:30 p.m. Small Group Sessions @ Levels 5 & 6

"In a time when budgets continue to be tightened in our education systems, it's an honor to be able to provide a day of professional development for this region's teachers & educators," said Rick Ginsberg, dean of the School of Education. "Our summer Strategies Conference is always an invigorating event at KU, and we look forward to it each year for a variety of reasons."

Conference Survey

- Your input is important to us. Please complete the conference survey:
